Sir:

**REQUEST FOR FILING RECEIPT**

Following the Decision on Petition mailed May 26, 2004, it is understood that the "Notice of Incomplete Non-provisional Application" mailed January 23, 2004 was mailed in error and has been withdrawn. Furthermore, the application as originally deposited without drawings is entitled to a filing date of October 22, 2003. Therefore, a filing Receipt should issue in this case consistent with the May 26, 2004 Decision showing a filing date for this application of October 22, 2003. As of the present date, however, no Filing Receipt has been received. Inquiry is made as to when a filing Receipt will issue in this case.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
